KNOWLEDGE

HE consensus of opinion among knowing folk is that the "*best is always the cheapest.*" This is true of printing as well as everything else. Are people as particular about getting the best in the printing line as they should be?

Lakeview Press

prides itself on being as near right as it is possible to be on the printing subject. This being true, CONSULT *them before you place your next order.* They do anything—from a business card and a book to a poster, in as many colors as you desire, and at prices that will please you for the best work.
